2. DISCUSSION ITEMS:

- A. Review and discussion of fence project. Trustee Herwig reviewed results of USDA loan application. USDA felt Skyland has the loan capacity of 1 million dollars based on future budget projections. Trustee Herwig and Trustee Sidney both had concerns regarding taking on a loan of that size. Community members are encouraged to reach out to one

of the board members regarding their preference of the 3 designs that are on the GID website. Trustee Sidney recommended that a final decision between the options be made at the next GID meeting in 4 weeks.

- B. Discussion of having non-Board residents on GID committees. Trustee Sidney has read through by-laws and states he has not seen anything that would not allow this. Trustee Herwig commented that we have always had community members on committees, recommends one board member on each board as stated per the By-laws.
- C. Review and discussion of 4th of July security and signage. Trustee Sidney remarked that NV Barricade is coming on July 2nd to put signs along HWY 50. Also security detail has been hired for both July 3rd & 4th. Trustee Nice questioned if parking is allowed on streets in the neighborhood. Sidney states that the county has stated we may put up no parking signs in our community if desired. Discussion still needed.
- D. Update and discussion of parking on Skyland Drive and near forest access area. Trustee Sidney states that a sandwich board has been placed in that area. Requesting feedback from members of the community. Trustee Herwig states that this weekend will give us a snap shot of the problems we have. Does not think the sandwich board is making a difference.
